Review of the bid submitted for Installation of the Landscape Design for the Building Front Landscape, Parking Lot Front Landscape and Irrigation

RFPs had been sent out to for multiple landscapers, but only one bid was received. The bid was submitted by Goose Corner Landscape Co, LLC.

Goose Croner was reportedly very thorough when they attended the walk thru at the Front Library site. A detailed background was presented. David Whitcomb is the contact, and he is a Landscape Architect educated at the University of Massachusetts at Amherst. He is also a granite installer. He felt it would be more economical to start the project in the spring. The company has experience in residential projects and references were supplied. The company desires to break into the commercial sector. Specifications have been given to suppliers for accuracy of cost. He is also knowledgeable about irrigation and the requirement needs for plants.

Alison will check the refences provided by Goose Corner Landscape for verification.

John Sandeen made a motion that the Landscape Committee recommend the Goose Corner Landscape Co. to the Board of Trustees for their approval at their next meeting. The motion was seconded by Cindy Scott, and all voted in favor.

It was noted that the bid included a %2,000 Irrigation amount. The bid price was also considered to be very reasonable.
